

# HOW TO BRING AN ARISE WORSHIP NIGHT TO YOUR PARISH

Arise Milwaukee partners with numerous parishes throughout the Archdiocese of Milwaukee to bring a dynamic, engaging and Christ-centered encounter to the parish. Our hope is to provide parishioners with an opportunity to encounter Christ in a powerful way through the sacraments and intimate prayer.

*“Our Lord in the Blessed Sacrament has His hands full of graces, and He is ready to bestow them on anyone who asks for them.”*

– St. Peter of Alcantara

## What is Arise Worship Night?

Arise Worship Nights give attendees an opportunity to encounter Christ through dynamic preaching, praise and worship music, Reconciliation and Eucharistic Adoration.

These evenings of worship are free to attend, two-hour events offered four times a year across Southeastern Wisconsin using the last monstrance blessed by Saint John Paul II.

## What is the goal of an Arise Worship Night?

Our goal is to bring Catholics together and foster a personal relationship with Christ through intimate prayer experiences of God's love.

## How much does it cost to host an Arise Worship Night?

The cost to host is \$4,000\* split 50/50 with Arise Milwaukee, with the parish paying \$2,000. This covers production equipment, musicians, gas cards for priests and the hospitality to end the evening. \*Cost subject to change.

If the parish is unable to pay, we have donors who can help cover the cost.

## What dates need parish hosts?

We need host sites on a Friday or Saturday night in winter, spring and fall.

## How are Arise Worship Nights marketed?

It is a joint effort between Arise Milwaukee and the host parish to market each Arise Worship Night. Arise Milwaukee will provide marketing materials and will promote it on our social media, newsletters and website.

It is also the responsibility of the parish to advertise to their parishioners through social media posts, church announcements, bulletin entries and catechism classes.

## Who can I contact if my parish is interested in hosting or learning more?
